

HEALTH CARE REFORM

Web Portal Update

Health insurers will report specific required information to the Department of Health and Human Services for inclusion in a Web Portal.

The healthcare.gov website is scheduled to launch on Oct. 1, 2010. The data submission requirements for health plans has been extended to Sept. 16, 2010. Lovelace's data will be submitted prior to the required date.

As a reminder, rates generated from the healthcare.gov site will lack medical underwriting. The best and most accurate quote can be received from Lovelace Health Plan Underwriting.
